AGC Apprenticeship Program Learning Requirements

Hybrid Learning Structure

Your employer has sponsored you in this apprenticeship program and expects your full participation. Attendance is mandatory—**no exceptions**. Share this syllabus with your foreman and scheduling supervisors immediately. If anyone directs you to miss class or fails to accommodate your attendance, contact your company's leadership or AGC Administrative Staff directly.

The AGC Apprenticeship Program utilizes NCCER curriculum, a nationally accredited certification system recognized throughout the construction industry. NCCER provides national testing, skills performance documentation, and certification transcripts that document your advancing competencies. These transcripts are shared with employers and serve as portable credentials for your career advancement.

Program Description

Learning Management System Policy

The program operates on a hybrid learning model combining synchronous and asynchronous instruction. Synchronous sessions (scheduled lectures, discussions, hands-on training, and evaluations) require real-time attendance and **cannot be made up**. Asynchronous components (online exercises, assignments, and research) provide flexibility—apprentices complete these at their own pace, at times and locations that work best for them.

The AGC Apprenticeship Program employs multiple Learning Management Systems (LMSs) to deliver comprehensive training. Apprentices are required to attend all scheduled online sessions as outlined in the program calendar. Scheduled lectures, discussion sessions, hands-on training, and performance evaluations are mandatory and **cannot** be repeated or made up if missed.

Completion Requirements

To receive credit for any module, apprentices must achieve a minimum score of 70% on all tests AND complete 100% of assigned asynchronous LMS activities. All asynchronous assignments are mandatory regardless of module test performance. Failure to complete any required asynchronous component will result in no credit for that module, even if the module test score meets or exceeds the 70% threshold.

Class Schedule and Format

Each session begins with Mobilize Monday; a mandatory session held about a month before instruction starts. Apprentices receive LMS access codes and confirm their accounts (Pearson, Electude, and NCCER) are set up and working. Assignments are posted that day and are due by Thursday of the first Focus Week — the four-week instructional block, described below, that follows.

Instruction itself occurs through Zoom sessions and face-to-face meetings, delivered in four (4) mandatory Focus Weeks per session. Each Focus Week usually consists of three Zoom classes followed by one in-person day at the designated campus. Zoom training occurs typically on Monday, Tuesday, and Wednesday from 4:30 p.m. to 7:30 p.m. (Exceptions are noted in the Course Schedule)

Attendance at Mobilize Monday, all Zoom sessions, and face-to-face days are required.

Year 2 Carpenter Expectations and Goals

The **Edition 6 General Carpentry Level 1** textbook is the **second-year** curriculum for Carpenters in the apprenticeship program. This curriculum introduces the apprentice to building materials, wall, roof, floor, and stair systems, and more.

Attendance:

- Apprentices **MUST** attend ALL Zoom and in-person classes. **No exceptions.** Failure to attend can result in course failure.
- Zoom attendance via cellphone is **PROHIBITED**.
- Attending Zoom sessions while driving is **STRICTLY FORBIDDEN** and can result in immediate dismissal from the program.
- Your employer has committed to ensuring you are available for training at a laptop during all scheduled times. **This commitment must be honored.**

Attitude and Participation:

- A positive, professional attitude is always mandatory.
- Active communication and participation throughout the entire course duration is required.

Technical Requirements:

- A computer, mouse, and webcam are mandatory for all online sessions. **(No Chromebooks)**
- Cameras **MUST** remain on at all times unless explicitly instructed otherwise by the instructor.
- The apprentice's face must be clearly visible on camera throughout each session.

Communication:

- Email is the primary communication method.
- On weekends for Module resets, leave a voicemail for your instructor stating what assignment needs to be reset.

- ALL emails must be acknowledged within 48 hours maximum (minimum response: "Received" or "Thank you").
- Failure to respond within this timeframe is unacceptable.

Assignments:

- All reading and homework assignments have firm due dates posted in the LMS.
- Late submissions will have a late penalty of 10%.

NON-COMPLIANCE WITH ANY OF THESE REQUIREMENTS CAN RESULT IN IMMEDIATE PROGRAM TERMINATION.

Required Materials

- Laptop computer, or equivalent with webcam. All apprentices must bring their computers on in-person days for testing (**NO CHROMEBOOKS**)
- Dual Monitors (recommended)
- Computer Mouse
- Pearson Carpenter account
 - Access code provided
- Appropriate work clothing and PPE when on campus

TUITION POLICY

- Students are personally responsible for all tuition payments regardless of any employer arrangements or agreements. All payment arrangements must be completed prior to the first-class session, and students will not be permitted to attend without confirmed payment.
- Students must verify with their employer who will be responsible for tuition payment
- Contact the AGC for available payment assistance resources if financial support is needed
- Payment arrangements are required before classes begin - no exceptions
- Credit cards are accepted as a form of payment
- Students should address any payment concerns well in advance of the program start date
- **Cost of Tuition: \$1,500**
